

MISSISSIPPI

University Press of Mississippi

## Series Editor, Frederick Luis Aldama

Books in the Biographix series will use a biographical lens to bring reader-friendly scholarly insight to comics creators and their works, summarizing, explaining, contextualizing, assessing, and providing critical insight to key figures in comics. Books should not only attend to social, political, and historical contexts but also the particular comics storytelling devices used to give unique expression to themes, events, and characters.

### Volume Details:

- Approx. 35,000 words
- 10-30 images
- Accessibly written
